

# WESTERN SNOW TRAIN ADVENTURE

7 NIGHTS / 8 DAYS

Discover Western Canada's winter wonderland on your journey from the snow-topped Rocky Mountains through the stunning heartland of British Columbia to the intriguing Coastal Mountains. Your adventure begins in Alberta's provincial capital from where you travel through the beautiful Banff and Jasper National Parks in the magnificent setting of the Canadian Rockies. In the resort town of Banff, you will join a discovery tour of the town's historic landmarks including admission to the Cave and Basin and observation of the park's wildlife. Your next destination is Jasper where you can enjoy an array of on site activities before you board VIA Rail's Snow Train and experience the romance of riding through Western Canada's snow-covered landscape. Your final destination is Vancouver, the bustling seaside city where the Coastal Mountains give you a fabulous view over the adjoining ocean. The excitement in Vancouver continues as you go on a sightseeing tour to the Capilano Suspension Bridge and Grouse Mountain. You will also enjoy admission to Storyum, an underground learning and entertainment complex located in the city's historic Gastown area. Here, informative tours and entertaining performances will bring Canada's West Coast history to life.
