MAGICAL LIGHTS OF THE YUKON

3 NIGHTS / 4 DAYS

Discover North America's most magical natural resource: the Aurora Borealis, commonly known as the Northern Lights, a spectacle of magnetic and electrical charges in the air, colouring the sky in a multitude of majestic hues. The scenic city of Whitehorse, located in the pristine and rugged wilderness of the Yukon, provides a visually stunning backdrop of mountains and glaciers for this unforgettable adventure. Discover the highlights of the town on a guided sightseeing tour introducing you to the modern and natural developments unique to this remote region, claiming its place in history as a true goldrush town. Your package also includes 3 night time opportunities to view the mystifying natural phenomenon of colours set in motion as the solar winds meet with the magnetic fields in the atmosphere and your guide explains this intense occurrence. Contemplate the sublime beauty of this fascinating array of reds, blues, greens and violets in this idyllic setting and sip on a hot beverage in a cozy heated cabin or walled tent. Following a truly breathtaking night viewing excursion, unwind at the River View Hotel, situated on the banks of the fabled Yukon River in downtown Whitehorse. Explore the great white north during the day on optional tours using dogsleds and snowshoes or relax in the cozy hotel after an exhilarating sightseeing flight.
